TESTIMONIAL

Collaborating with Westraunt Catering on our wedding reception was smooth and seamless from start to finish. Our event was held at a riverside location over an hour outside of town and I'm pleased to say that Flint and her team were incredible through it all. Because of her clear and timely communication and their willingness to meet and exceed our requests, I never worried a moment about the food and service for our special day. Many guests (including vegans and paleos) commented that the food was scrumptious and that having both Bill & Tim's Barbecue and Mexican food from Mucho Gusto gave everyone ample options to choose from. The food was plentiful, delicious and affordable, and the attuned staff even set aside a plate for me and my groom while we were off taking photos. It was a wonderful day and Westraunt Catering was the icing on the cake. A stellar experience all around!

Cheers,
Josie
